ORDER THEREON.—The sum of Rs. 250 referred to in the above should be refunded to the Municipality of Bangalore.

2. Under Para 6 of the late Chief Commissioner's Proceedings, dated 26th October 1875, No. 6123—G. 141, Europe medicines and appliances of all Local Fund Dispensaries in the Province are a proper charge upon Provincial Funds. Since the Dispensaries in the several Municipalities are maintained partly from District Funds, and partly from the Municipal Funds, the cost of Europe medicines supplied to them must be met from Provincial Funds. This however is not necessary in the case of the Market Dispensary at Bangalore, which is strictly a Municipal Dispensary, the entire cost of which including the pay of the Hospital Assistant is borne from Municipal funds.
